### Director's Tickets to the All-State Final Concerts

Registration for the 2005 NMEA In-service Conference/Clinic does NOT include a complimentary ticket to either final concert. No vouchers will be issued for exchange at the Lied Center box office. Rather, NMEA members **who pre-register for the conference before November 1** will receive a personalized ticket order form. That form must be returned to the Lied Center box office and the tickets will be sent to you by mail. The tickets for pre-registered NMEA members will be offered at a discounted price of \$5.00 each. Because of the high demand for concert tickets, NMEA members will only be able to purchase one ticket to each concert during pre-sale. Additional tickets must be purchased from the box office when the tickets are offered to the general public. To take advantage of this offer, the NMEA member must be pre-registered and must return the order form to the box office. All NMEA members not participating in this pre-sale must purchase tickets at the box office at the regular \$10.00 rate. Anyone registering at the conference will be able to purchase concert tickets at the box office, if they are still available.
