CLOSED MEETING

Members present were Ambrosius, Hansen, Keown, Kettler, Kostelnik, Lee, Mitchell, Nunez and Rosson. There was brief discussion of the testimony presented during the hearing, then Rosson called the members’ attention to the main order of business for the meeting, a briefing by Nancy Myers.

Myers, Director of the Employee Assistance Program, informed the APC about the resources her program provides to UNL employees who are affected by the budget cuts. There was good discussion about the effects of the reductions on APC members as participants in the budget reduction process as well as in their roles as employees of the University. Myers shared ideas that APC members could pass on to others or use themselves as they face the changes in the university and the chance of further reductions.

The meeting adjourned at 5:00 p.m.

Respectfully submitted,

Lona Kramer, APC Coordinator
