

Cornhusker Marching Band Commemorative N Order Form

The Commemorative N Plaque is a wonderful gift for band members, alumni and fans. We've taken the embroidered N's from old *Marching Red* uniform capes, matted and framed them in brass. The white letters have a red mat. The red letters are on a white and black mat. Both versions are under protective glass that has been screened with the words, "The University of Nebraska Cornhusker Marching Band" in brass colored lettering. They can be seen in color on the band's web site at www.unl.edu/band/.
