IN PREPARATION FOR YOUR NEXT TERM, HAVE YOU...

✓ Cleared all registration holds? You cannot register for future classes if these holds are present: Financial, Advising, Library, Parking, and Transcripts.
✓ Checked when you can enroll in MyRed? Your specific registration access date and time will be available on MyRED under Self Service > Enrollment > Enrollment Dates.
✓ Made your advising appointment for next semester? Make your appointment at least 2-3 weeks before you are eligible to register for classes. You can save your classes in your Shopping Cart until registration is open.
✓ Ran a My Degree Audit in MyRed to determine what requirements you still need to complete? Before you meet with your advisor, think about what classes you are interested in taking to include some alternatives in case your first choices conflict in your schedule. After you enroll in classes, wait 24 hours and then run another Degree Audit to see how your classes met your degree requirements. Contact your advisor with any questions.
✓ Applied for upper division (if you meet the requirements below)?
  o CRIM 101, 251 and 6-9 hours of 203, 211 or 221.
  o MATH 100A or higher
  o Completed 6 hours of Composition (usually met with completion of ENGL 150, 151, and 252 or 254).
  o 45 credit hours.
✓ Determined your special requirements, for example:

  o Honors Program.
  o William H Thompson Scholar or other Scholarship requirements.
  o ROTC 4 year plan (e.g. Form 104-R).
✓ Transferred credits from other institutions (dual, advanced placement, IB, summer courses at other institutions)?
✓ Declared a concentration (18 hours with a minimum of 12 hours in the upper level)? Checked the undergraduate bulletin if declaring a minor(s).
✓ Ensured you are not duplicating a course taken at another college or cross listed at UNL? If you are considering a Sociology class, please note that credit in the degree can only be earned in one of the following:
  o SOCI 205 or CRIM 251 Research Methods
  o SOCI 311 or CRIM 337 Juvenile Delinquency.
  o SOCI 474 or CRIM 413 Sociology of Deviant Behavior.
  o SOCI 209 is similar to CRIM 335 (Criminology) but both may apply towards the degree with SOCI 209 applied as Social Science.
✓ Checked with your advisor and instructor before selecting Pass/No Pass (P/N) grading option. UNL grades policy indicates that you must get a C or above to pass. There are restrictions for CRCJ major and many UNL minors.
