

CRIMINAL JUSTICE SENIOR DEGREE AUDIT

Senior degree audits for criminal justice majors are completed in the School of Criminology and Criminal Justice, 310 Nebraska Hall. The audit is not available through the UNL degree audit system because the BSCJ degree is awarded through the University of Nebraska at Omaha.

➤ **What is a senior degree audit?**

An official check of your records indicating progress toward the completion of your degree for your senior year. The degree audit is an update of your academic progress worksheet and will include in progress courses.

➤ **When should I request a senior degree audit?**

You may request two senior degree audits. You should request the audit when you have completed approximately 85-90 credit hours. Your senior degree audit can then be used to plan course work for your final year. You should request a final degree audit after you have completed registration for your final semester but at least a month prior to the start of your final semester. This audit is to double check for any potential problems which can then be remedied prior to your final semester.

➤ **When will my senior degree audit be complete?**

Your senior degree audit will take two to four weeks, depending upon the time requested. Please allow four weeks if you request the audit during priority registration or near the beginning of a semester. **Please note:** Senior degree audits are not mailed to you. You may pick up your audit at the School of Criminology and Criminal Justice, 310 Nebraska Hall.
