Each UTAC session is led by a student who previously received an "A" in the same course.

Research done on past SI participants has shown that 96.9% of the participants earned a higher grade than those in their peer group who did not attend the SI sessions.

The Supplemental Instruction program has been at NEBRASKA since 1994. Over 15,700 students have taken advantage of this outstanding program. You should too!

UTAC is sponsored by the Office of Undergraduate Studies.
