Elective courses applicable toward degree

Course	Hours

Transfer courses in your major may be applied to your requirements at the discretion of the chief adviser on a substitution form approved at both the department and college levels.

Entrance requirements must be cleared before graduation. If you have been admitted with entrance deficiencies, consult your deficiency contract for more information and see your adviser.

If you have any questions about the evaluation of your transfer credits, contact the Dean's Office, 102 Woods Art Building, (402) 472-9339.
