

Here comes our friend Mrs. Green. She wants to tell us something. "Come have some cookies I just made", she said. Go tell your sister and your friends. Keith ran down the street to his house. He found his sister playing catch with Bob. "Do you want some cookies", Keith asked? "Mrs. Green has some for us. " All of the children went to Mrs. Green's house and had fun eating cookies. "These cookies are great," Bob said. That made Mrs. Green very happy.
