

GSA Executive Committee Meeting Minutes  
Thursday, 19<sup>th</sup> of August

- Student Involvement wants to partner with GSA to do four wine tastings in the East Campus Union throughout the semester. We would help them with the event, checking IDs, etc. Cost would be \$10 per person attending.
  - We are interested but would need more information.
- Executive Social Event: all LA members & Departmental GSA presidents?
  - Purpose: Share info about GSA, hear their concerns and suggestions
  - Have contact information for RSO Departmental GSA's. Emile still needs to gather contact information – will look at the list from 2 years ago, see if any dept. GSA's are not RSO's, find their contact info.
  - LJ will look into getting the Visitor's Center for the Social
  - Appetizers at LA meeting, prior; probably veggie platters & snacks at Social
- LA Meeting:
  - This year, we'll have an organized presentation about who the GSA is, what we do, what LA members do, what committees are
  - Eric H. will Chair the Quality of Life Committee, wants to add "Graduate Student Rights and Responsibilities" to list of tasks (enlist faculty member—Matt Hecker, perhaps? He's the Dean of Students.)
  - LJ will Chair Academic Affairs, wants to add "My Red" research—how this migration impacted graduate students, any issues specific to us, etc.
  - Campus Representatives: discuss their role in the "How We Operate" slide; they must participate in committees—if they do not do their job, they do not have a job
  - External Committees—ones which are looking for graduate students, have a little slide for this
  - Closing slide with Social After-Meeting-Party
- Advisor? Someone who has a faculty/administration appointment. Dr. Baacks in Student Affairs/Involvement?
