UNL Humanities in Medicine Minor Requirements
317A Seaton Hall (0632)  402-472-9380  Website:  www.unl.edu/hmed

(NOTE: Requirements vary. Students must refer to the Undergraduate Bulletin from the year they entered UNL for Humanities in Medicine requirements.)

18 hours of courses work with the following distribution:
- 3 hours of directed experience (HMED 397)
- 3 hours from the list of core courses
- 12 hours from the list of elective courses, with at least one course at the 300- or 400-level

Credits earned using the Pass/No Pass option do not count towards this minor.

A course may be used to satisfy either the core requirement or the electives requirement but not both.

Other courses, not listed as electives, particularly special topics courses or honors courses with a relevant focus may be applied toward the minor by permission of an HMED adviser or coordinator.
