1.) What team or role is God leading you to participate in? Why?

*Note: If you choose to be involved with Freshman Connection or Greekside, be aware that there is a larger time commitment due to leading a Bible study, discipling students and attending those specific weekly meetings.*

2.) If you plan on participating with LESTER again, how do you think your continued involvement will help you grow in leadership, evangelism, discipleship, and ministering to others?

---

Lead — Evangelize — Study the Word — Train — Encourage — Relate

- 3.) An essential aspect of being a laborer for the Kingdom is living a life of integrity. Are there any areas of your life that are a concern for right now when it comes to living with integrity?

**If so, how are you seeking God to help you grow in these areas?** (Note: If you are presently dealing with an issue you don't feel comfortable talking about in an interview, please feel free to talk to a staff person or student leader you feel close to. We want to help!)

- 4.) Besides class work, what other time commitments will you have next year? (activities, work, family, etc.) Would you be willing to say "no" to another activity to say "yes" to LESTER? We don't want you to be overextended!

- 5.) Do you have any questions regarding LESTER and your potential involvement next year?

- 6.) Is there anything we have not asked that you think we should know in order for us as we make our decisions for LESTER for next year?
