

INTERN SEMINAR

**Counseling and Psychological Services
University of Nebraska-Lincoln**

February 19, 2010

We are excited to host the February Intern Seminar. Counseling and Psychological Services is located within the University Health Center (UHC) on UNL's *City Campus*. We are located at 15th and U Streets in downtown Lincoln. The seminar will be held at the UHC in the lower level. I have reserved **Conference Rooms A, B and C** for the day. On the next page, the agenda is provided.

Emily will be mailing you a parking permit. This will allow you to park in one of the **A Lots**. I recommend that you park on 16th Street near The Scott Engineering Center. This is a three-block walk to the University Health Center. If these lots are full, the parking permit will also allow you to park in **any A Lot** or our **Parking Garages** (located at 17th & R, 14th & Avery, and at Stadium Drive). Since UNL parking services no longer provides mass numbers of parking maps, use the following Web Address to download the *CITY CAMPUS* map. The address is:

<http://parking.unl.edu/maps/CityCampusParkingMap.pdf>

If I can assist you any further, give me a call at 472-7450. See you in a few weeks.
