

OMICRON DELTA KAPPA NATIONAL LEADERSHIP HONOR SOCIETY

APPLICATION FORM

Dear NU Junior, Senior or Graduate Student,

Omicron Delta Kappa is The National Leadership Honor Society that recognizes and encourages superior scholarship, leadership, and exemplary character. Membership in Omicron Delta Kappa is a mark of highest distinction and honor.

Omicron Delta Kappa was found December 3, 1914, at Washington and Lee University in Lexington, Virginia by fifteen student and faculty leaders. The society recognizes achievement in:

- Scholarship
- Athletics
- Campus or community service, social, religious activities, and campus government
- Journalism, speech and the mass media
- Creative and performing arts

Chartered here at the University of Nebraska-Lincoln in November 1998, the members of Omicron Delta Kappa have ideal character, responsible leadership and service in campus or community life, superior scholarship, genuine fellowship, and consecration to democratic ideals. Emphasis is placed on the development of the whole person, both as a member of the college community and as a contributor to a better society.

What makes Omicron Delta Kappa a unique society at the University of Nebraska is our inclusion of undergraduate, graduate, and faculty as active members of our leadership circle. We strive to bring members of the University community together on a basis of mutual interest, understanding, and helpfulness.

The Circle of Omicron Delta Kappa has established and participated in a variety of activities that fulfill the Omicron Delta Kappa "Idea." Our roundtable discussions with University faculty and administrators and volunteering during graduation are just a few activities that Omicron Delta Kappa does to create a more positive interaction between the student body and administration.

If you have questions concerning the selection process, completion of the application, or Omicron Delta Kappa, contact the following members:
