

# Great Plains Studies Graduate Courses

## Great Plains Studies

- 800 Seminar in Great Plains Studies
- 895 Internship in Great Plains Studies

## Agricultural Economics

- AECN 832 Economics of Agricultural Production
- AECN 856 Environmental Law
- AECN 857 Water Law
- AECN 865 Resource & Environmental Economics II
- AECN 868 Advanced Resource & Environmental Economics

## Agricultural Leadership, Education and Communication

- ALEC 801 Theoretical Foundations of Leadership
- ALEC 810 Environmental Leadership: A Historical and Ethical Perspective
- ALEC 833 Planning and Implementation of Cooperative Extension Programs for Domestic and Foreign Audiences
- ALEC 901 Leading Change in Rural America and Beyond

## Agronomy and Horticulture

- AGRO 808 Microclimate: The Biological Environment (GEOG/NRES 808)
- AGRO 835 Agroecology (NRES 835)
- AGRO 840 Great Plains Ecosystems
- AGRO 842 Wildland Plants
- AGRO 844 Vegetation Analysis
- AGRO 845 Livestock Management on Range and Pasture
- AGRO 850 Climate and Society (GEOG/METR 850, NRES 852)
- AGRO 875 Water Quality Strategy (CRPL 875, NRES 875)
- AGRO 877 Great Plains Field Pedology (GEOG 867, NRES 877)
- AGRO 881 Water Resources Seminar (GEOG 881, NRES 815)
- HORT 909 Crop Responses to the Environment (AGRO/NRES 909)

## Anthropology and Geography

- ANTH 816 Topics in Cultural Anthropology
- ANTH 819 Art & Anthropology of Native North America
- ANTH 833 North American Archaeology
- ANTH 834 An Introduction to Plains Archaeology
- ANTH 851 Indians of Contemporary North America
- ANTH 854 Traveling Ethnographic Field School
- ANTH 876 Human Rights, Environment, and Development
- ANTH 880 Advanced Fieldwork
- ANTH 883 Advanced Field Methods
- ANTH 896 Special Readings in Anthropology
- ANTH 898 Advanced Current Topics in Anthropology
- ANTH 953 Seminar in Anthropology and Geography (GEOG 933)
- GEOG 850 Climate and Society (AGRO/METR 850, NRES 852)
- GEOG 877 Great Plains Field Pedology (AGRO/NRES 877)
- GEOG 881 Water Resources Seminar (AGRO 881, NRES/GEOL 815)
- GEOG 933 Seminar in Geography and Anthropology (ANTH 953)
- GEOG 935 Seminar in Historical Geography: Great Plains

# Great Plains Studies Graduate Courses

## Architecture

- IDES 860 Preservation and Conservation of Historic Interiors
- ARCH 848 Architecture of the Great Plains
- ARCH 860 Environmental Survey and Analysis (CRPL 872)
- ARCH 863 Architectural Preservation

## Art and Art History

- AHIS 898 Special Topics: American Art & Regionalism; Great Plains

## Biological Sciences

- BIOS 855 Great Plains Flora
- BIOS 859 Limnology (NRES 859)
- BIOS 864 Fisheries Biology (NRES 864)
- BIOS 870 Prairie Ecology
- BIOS 882 Field Entomology
- BIOS 887 Field Parasitology
- BIOS 888 Natural History of the Invertebrates
- BIOS 891 Ichthyology (NRES 889)
- BIOS 894 Ornithology

## Communication Studies

- COMM 830 Political Communication
- COMM 950B Seminar in Intercultural Communication
- COMM 985 Cultural Criticism

## Community and Regional Planning

- CRPL 800 Introduction to Planning
- CRPL 804 Legal Aspects of Planning
- CRPL 860 Planning and Design in the Built Environment
- CRPL 870 Environmental Planning & Policy
- CRPL 872 Environmental Survey & Analysis (ARCH 860)
- CRPL 875 Water Quality Strategy (AGRO/GEOL/NRES 875)
- CRPL 877 Recreation & Park Planning
- CRPL 880 Economic Development Planning
- CRPL 895H Selected Topics: Housing: Issue & Innovations
- CRPL 895Q Selected Topics: Historic Preservation Planning
- CRPL 895T Selected Topics: Issues in Community Transit Planning
- CRPL 896 Special Problems: Rural & Small Town Planning

## Teaching, Learning and Teacher Education

- CURR 925E Seminar in the Curriculum and Teaching of Social Studies: Great Plains

## Department of Economics

- ECON 840 Regional Development
- ECON 842 Regional Analysis
- ECON 857 US Economic History: 19th Century
- ECON 858 US Economic History: 20th Century
- ECON 871 Public Finance
- ECON 872 Efficiency in Government

# Great Plains Studies Graduate Courses

## English

- ENGL 805K Canadian Fiction
- ENGL 811B Plains Literature
- ENGL 845K Ethnic Literature: Native American Literature
- ENGL 911 Seminars in Great Plains Literature
- ENGL 933B Seminar in American Authors since 1900: Willa Cather

## Geosciences

- GEOL 815 Water Resources Seminar (AGRO/GEOG 881, NRES 815)
- GEOL 823 Quaternary Ecology and Climate
- GEOL 850 Surficial Processes and Landscape Evolution
- GEOL 875 Water Quality Strategy (AGRO/CRPL/NRES 875)
- GEOL 881 Environmental and Urban Geology
- GEOL 888 Groundwater Geology (NRES 888)
- GEOL 889 Hydrogeology (NRES 887)
- GEOL 929 Mesozoic and Cenozoic Stratigraphy
- GEOL 934 Site Analysis in Vertebrate Paleontology
- GEOL 935 Cenozoic Vertebrate Paleoecology
- GEOL 953 Glacial Geology
- METR 850 Climate and Society (AGRO/GEOG 850, NRES 852)

## History

- HIST 852 American Frontier in the Nineteenth Century
- HIST 864 Native American History: Selected Topics
- HIST 865 History of Plains Indians
- HIST 889L Directed Readings: History of the Great Plains
- HIST 889J Directed Readings: The History and Culture of the American Indian

## Natural Resource Sciences

- NRES 808 Microclimate: The Biological Environment (AGRO/GEOG 808)
- NRES 815 Water Resources Seminar (AGRO/GEOG 881, GEOL 815)
- NRES 823 Integrated Resource Management
- NRES 835 Agroecology (AGRO 835)
- NRES 850 Biology of Wildlife Populations
- NRES 852 Climate and Society (AGRO/GEOG/METR 850)
- NRES 859 Limnology (BIOS 859)
- NRES 864 Fisheries Biology (BIOS 892)
- NRES 868 Wetlands
- NRES 875 Water Quality Strategy (AGRO/CRPL/GEOL 875)
- NRES 877 Great Plains Field Pedology (AGRO/GEOG 877)
- NRES 887 Hydrogeology (GEOL 889)
- NRES 888 Groundwater Geology (GEOL 888)
- NRES 889 Ichthyology

## Textiles, Clothing and Design

- TXCD 978 Seminar in Textile History
