- APPLICATIONS DUE MARCH 1 - PRIORITY DEADLINE FEBRUARY 15

Are you considering graduate school?

Find out and spend your summer at Nebraska. Experience close faculty mentoring and engage in research and collaborative work in an environment that fosters growth, scholarship, and commitment to your discipline.

Programs offered in:

- Bioinformatics
- Bioenergy
- Chemistry
- Materials Science
- Mathematics
- Nanotechnology
- Plant Science
- Physics
- Redox Biology
- Virology
- And other science and engineering fields

Sponsored events:

- Take part in seminars related to your field.
- Attend workshops about applying to graduate school, preparation for the GRE, and networking at conferences.
- Showcase your research in a symposium and poster session.
- Plus experience cultural excursions and other social and recreational activities.

Explore research topics and projects by visiting our Web site at

www.unl.edu/summerprogram.

Diverse applicants are encouraged to apply. The University of Nebraska-Lincoln does not discriminate based on gender, age, disability, race, color, religion, marital status, veteran's status, national or ethnic origin, or sexual orientation.
