

## General Purpose Classroom Advisory Committee

The General Purpose Classroom Advisory Committee is charged to assist the Senior Vice Chancellor for Academic Affairs (SVCAA) in identifying and resolving issues concerned with the use, design, and equipping of General Purpose classrooms.

Specifically, the UNL General Purpose Classroom Advisory Committee will make recommendations to the SVCAA on planning and policy matters pertaining to the apportionment, design, enhancement and use of General Purpose instructional and instructional support service space. The Senior Vice Chancellor of Academic Affairs will bring these recommendations to the Academic Deans and the Chancellor's Senior Administrative Team for incorporation into campus-wide planning strategies and funding proposals for the designation and upkeep of General Purpose Classrooms. The Senior Vice Chancellor will, at least annually, brief the Academic Planning Committee on the work of the General Purpose Classroom Advisory Committee.

Members of the General Purpose Classroom Advisory Committee shall be appointed by the Senior Vice Chancellor for Academic Affairs and the Vice Chancellor for the Institute of Agriculture and Natural Resources and will include representation from the Academic Colleges and University Libraries, appointed by the deans; the Office of Institutional Research and Planning; the Office of Registration and Records; Information Services; and Nebraska Educational Telecommunications. As requested, staff from the Office of Facilities Management and other campus and instructional support units may be asked to participate in the discussions. An Associate Vice Chancellor of Academic Affairs will Chair the Classroom Advisory Committee.

### Historical notes:

1. Created in 1994 by Chancellor Graham Spanier.
2. Representatives from ITG were added prior to 2000.
3. Committee hiatus 2001-2002.
4. Associate Deans were added 2003.
5. Charge revised November 2004.
