

OPEN FORUM: PROPOSALS 1 AND 2 FOR BUILDING A NEW GENERAL EDUCATION PROGRAM

Friday, October 27

- **10:30 – 12:00 am: city union**
- **1:00 – 2:30 pm: east campus union**

John Janovy

and members of the General Education Advisory Committee

The committees charged with reforming UNL's Comprehensive Education Program (aka CEP, ES/IS) were charged with developing four proposals:

1. Student Learning Outcomes for a New General Education Program.
2. Structural Criteria for a New General Education Program.
3. Initial Set of Courses/Experiences to Populate a New General Education Program.
4. An Assessment and Oversight Process for a New General Education Program.

To date, the committees have been working on proposals 1 and 2, seeking input from faculty, students, and visiting consultants.

To view drafts of these first two proposals and to learn about the make-up and work of the committees, please visit <http://www.unl.edu/svcaa/gened>.

The General Education Advisory Committee invites you to an open forum to discuss these first two proposals with colleagues from across campus and provide further input to the faculty members on the General Education Advisory Committee.

Please mark your calendar for one of the two open forums on October 27.

Achievement-Centered Education
