The program offers faculty the opportunity to travel to member institutions to collaborate on projects and research. The description of the program can be found on our web site at <http://www.unl.edu/svcaa/programs/big12>. The deadline for submitting proposals is December 1, 2009 (the funding period is January 1, 2010 through June 30, 2010). The maximum fellowship award per applicant is \$2,500.
