Navigating MyRED has never been easier!

Once you log in to MyRED, you will see that the Student Tab is separated into three parts:

1) Student Notes

Student notes include general messages and student-specific information regarding holds and tasks to complete.

2) Tabbed Navigation Menu

Students can navigate MyRED topically by choosing tabs corresponding to their desired action. Alerts and links change depending on which tab is selected.

3) Links (tab-specific)

These links change depending on what tab a student is viewing. These links allow students to manage and view their UNL information.

Tabbed Navigation Overview

The navigation menu contains the following tabs:

- Enrollment
- Student Account
- Financial Aid
- Records
- Additional Services

The view changes as each tab is selected, along with the corresponding links to the right.
Enrollment
The Enrollment tab defaults to a table containing this semester’s class schedule.

To print your schedule, simply click Print.

Student Account
The Student Account tab reveals an account summary and charges at other NU institutions.

Note the links available to manage and view information.

Users are reminded to close the shadow-box instead of using the browser’s back buttons to return to the menu.
