6. Click Sign In

The Advisor tab is a quick and easy way to access information on students.

Student Lookup Tab

The Student Lookup tab allows you to search for a student either by NUID or last name.

Once you have selected the student, click on the drop down arrow to Manage Student Holds, access Advisee Student Center, or navigate to MyRED Student view.
My Advisees Tab

The My Advisees tab allows you to view a list of your current advisees. You can print a list of your advisees by using the Print button.

To filter your advisees, click the checkboxes next to the criteria you wish to view. Then, click the Apply Filters button.

You can download your list of advisees into Microsoft Excel. Click this button to email your advisees.

Sort your advisees by NUID or Name.
To clear your filters, click on **clear all** then the **Apply Filters** button.

Click on the drop down box to view more detailed information of a particular advisee.
If the student has an Academic Probation Hold, you will see the hold under Service Indicator Summary. To release the hold, click on PRO to view the Edit Service Indicator box.

Click the Release button to clear the student of an advising hold.
After the hold is removed, the student’s original hold will be removed from the Service Indicator Summary. Close the light box by clicking on the red X in the upper right hand corner.

Advisee Student Center

The Advisee Student Center view is designed to give a quick snapshot of the student’s current schedule as well as general contact information. In addition, you have links to student schedules, their shopping cart, and their planner. Through the dropdown box you have links to Course History, Grades, Transcripts and Transfer Credit Report.
Student MyRED View

The **Student MyRED View** allows you to see the student’s view in MyRED. You have access to the **Enrollment**, **Academics**, and **Profile** tabs.

Students access Degree Audit here.
Class Offerings Tab

The Class Offerings tab allows you to do a class search for a specific term. Click on the drop down box to find the term and subject of the course you are trying to find.

By clicking on the course, you can view information on the classes offered that term. To view another class in a different subject, just use the drop down boxes again. The courses offered under that subject will replace your original class search.

Committees Tab

The Committees tab displays all students that are assigned to an undergraduate advising committee in which you participate.

Additional Services Tab

You may link to other systems from the Additional Services tab. Each link opens in a new tab or browser.
Class Search Tab

The Class Search tab contains the Advanced Class Search that the students use in MyRED.

ACE Outcomes can be found under Class Attribute.

Search by Class Component like Lecture, Laboratory or Recitation under Class Type.

View open classes only by checking the box next to Open Classes.

Click on the course to see class section details.

Classes will display with the subject, catalog number, and title. The catalog description of the course will also display.

Tip: Use the breadcrumbs for the search to navigate back and forth from results to class sections. To start a brand new search, click on Return to Search.
