Developing Air Force leaders of tomorrow since 1946

Detachment 465 has steadily built upon its premier educational program to commission some of America’s highest quality Air Force officers. University of Nebraska-Lincoln’s unique ROTC environment provides cadets with intense training, challenging coursework, and normal university life to instill values of integrity, service before self, and excellence in character.

Cadets in this leading institution come from across the country and UNL’s three crosstown partners: Concordia University, Doane University, and Nebraska Wesleyan University. Each year, Detachment 465 enrolls a diverse freshman class of approximately 30 cadets. The total number of cadets enrolled is 60. Cadets come from a variety of economic, social and cultural backgrounds and represent a wide range of academic and career interests in air, space, and cyber-space.

Military Commitment

Most Air Force Specialty Codes (AFSC): 4 years
Pilots: 10 years after two year pilot training
CSOs, RPAs, ABMs: 6 years after training

Academic Standards

General Military Course (GMC)
- During freshman and sophomore years, complete aerospace studies classes with a grade of C- or above and must pass all Leadership Laboratories.
- Cadets on scholarship must maintain a minimum 2.5 CGPA and be enrolled as a full-time student.
- Cadets not on scholarship must maintain a minimum 2.0 CGPA.

Professional Officer Course (POC)
- During junior and senior years, complete aerospace studies classes and all Leadership Laboratories with a grade of C- or above.
- Cadets on scholarship must maintain a minimum 2.5 CGPA and be enrolled as a full-time student at UNL or a crosstown university.
- Cadets not on scholarship must maintain a minimum 2.0 CGPA.

Air Force Officer Qualifying Test (AFOQT)
- Required standardized test for all cadets on scholarship or in the Professional Officer Course.
- Test taken sophomore year and can only be taken twice.
