

Nebraska Air Force ROTC Fact Sheet

Dedication. Drive. Discipline. Decision for Your Future.

Developing Air Force and Space Force leaders of tomorrow since 1946

Detachment 465 has steadily built upon its premier educational program to commission some of America's highest quality Air Force officers. University of Nebraska-Lincoln's unique ROTC environment provides cadets with intense training, challenging coursework, and normal university life to instill values of integrity, service before self, and excellence in character.

Cadets in this leading institution come from across the country and UNL's three crosstown partners: Concordia University, Doane University, and Nebraska Wesleyan University. Each year, Detachment 465 enrolls a diverse freshman class of approximately 30 cadets. The total number of cadets enrolled is 70. Cadets come from a variety of economic, social and cultural backgrounds and represent a wide range of academic and career interests in air, space, and cyber-space.

Military Commitment

Most Air Force Specialty Codes (AFSC): **4 yrs**

Pilots: **10 yrs** after two-year pilot training

CSOs, RPAs, ABMs: **6 yrs** after training

In-College Scholarship Eligibility

- ✓ United States citizen
- ✓ Cumulative GPA of **3.0 or higher**
- ✓ Pass the Physical Fitness Assessment
- ✓ Qualified DoDMERB physical examination
- ✓ Be **under 31** years old as of **December 31** of commissioning year
- ✓ AFOQT **Verbal Score** of **15** and a **Quantitative Score** of **10**
- ✓ Compete for ICSP as early as **first semester** of participation in AFROTC
- ✓ Scholarship will pay **current remaining term**

Academic Standards for In-College Scholarship Programs

General Military Course (GMC)

- During freshman and sophomore years, complete aerospace studies classes with a grade of **C-** or above and must pass all Leadership Laboratories.

Professional Officer Course (POC)

- Officially contracted; no longer eligible for ICSP.
- During junior and senior years, complete aerospace studies classes and all Leadership Laboratories with a grade of **C-** or above.

Required Classes for Graduation/Commissioning

- All scholarship cadets (except nurses) must receive a **C-** minimum in either 12 semester hours of a foreign language for non-technical majors or 24 semester hours of math/physics/chemistry/engineering for technical majors.
- Scholarship cadets must maintain **2.5 CGPA**.
- Non-scholarship cadets must maintain **2.0 CGPA**.

Listen Up, Out-of-State Residents!

Non-resident incoming students who possess an ACT score of **26 or higher**, enrolled in the AFROTC program, and have submitted their enrollment deposit by **1 May**, are eligible for the resident tuition rate through the University of Nebraska whether on scholarship or not.

Do I need a scholarship to join AFROTC? **NO!**

There are numerous opportunities to earn a scholarship while in the AFROTC program that include, but are not limited to:

Type 2 - Pays tuition and most fees up to **\$18,000** and book allowance. If student attends institution where tuition exceeds \$18,000, student pays the difference.

CMLA - Pays tuition and most fees up to **\$18,000** and book allowance. If student attends institution where tuition exceeds \$18,000, student pays the difference. Awarded to most POC cadets who complete Field Training.

In-College Scholarship Length - Ranging from 2 to 3.5 years.

Housing? — Tuition scholarships can be converted to a \$10,000 University Housing Scholarship.

In-College Scholarship application boards typically occur once in the **fall** and once in the **spring**.

Scholarship Stats

70% technical majors

15% foreign language majors

15% non-tech majors

Of total scholarships given, **50%** ICSP/**50%** HSSP

25% commissioned cadets are never on scholarship

Special Programs

Freshman Option — If entering ROTC on four-year scholarship, can drop program after freshman year with zero financial consequences **before first AS200 class**. If not on scholarship, can drop program any time **before contracting** (POC).

Accelerated Program — Already started college? In Graduate School? Nursing major? AFROTC offers a 3-yr accelerated program with scholarship opportunities to promising students who have a 3.0 CGPA.

Facilities and Housing

Det 465 and all Aerospace Classes are located in the Pershing Military and Naval Science building

Cadets can choose to live on/off campus

Cadets can choose to live in Abel Hall along with their ROTC Wingmen

Cadet Activities

Arnold Air Society

- Community service
- POW/MIA ceremonies

Flying Huskers Booster Club

- Stadium Security (Get into **Husker** home games FREE!)
- Stadium cleanup
