Devsing Air Force leaders of today and tomorrow since 1946

Detachment 465 has steadily built upon its premier educational program to commission some of America’s highest quality Air Force and Space Force officers. University of Nebraska-Lincoln’s unique ROTC environment provides cadets with intense training, challenging coursework, and normal university life to instill values of integrity, service before self, and excellence in character.

Cadets in this leading institution come from across the country and UNL’s three crosstown partners: Concordia University, Doane University, and Nebraska Wesleyan University. Each year, Detachment 465 enrolls a diverse freshman class of approximately 30 cadets. The total number of cadets enrolled ranges from 60-70. Cadets come from a variety of economic, social and cultural backgrounds and represent a wide range of academic and career interests in air, space, and cyber-space.

Military Commitment

Most Air Force Specialty Codes (AFSC): 4 yrs

Pilots: 10 yrs after two-year pilot training

CSOs, RPAs, ABMs: 6 yrs after training

In-College Scholarship Eligibility

✓ United States citizen
✓ Cumulative GPA of 3.0 or higher
✓ Pass the Physical Fitness Assessment
✓ Qualified DoDMERB physical examination
✓ Be under 31 years old as of December 31 of commissioning year.

AS100 Cadets competing for scholarship:
✓ SAT composite of 1100 or ACT composite of 22 (not required for AS200/250)
✓ Compete for ICSP in the spring semester, if joined in the fall.

AS200/250 Cadets competing for scholarship:
✓ No SAT/ACT minimum
✓ Must have a passing AFOQT score
✓ Compete for ICSP in fall and spring

Academic Standards for In-College Scholarship Programs

General Military Course (GMC)
• During freshman and sophomore years, complete aerospace studies classes with a grade of C- or above and must pass all Leadership Laboratories.

Professional Officer Course (POC)
• Officially contracted; no longer eligible for ICSP.
• During junior and senior years, complete aerospace studies classes and all Leadership Laboratories with a grade of C- or above.

Required Classes for Graduation/Commissioning
• All scholarship cadets (except nurses) must receive a C- minimum in either 12 semester hours of a foreign language for non-technical majors or 24 semester hours of math/physics/chemistry/engineering for technical majors.
• Scholarship cadets must maintain 2.5 CGPA.
• Non-scholarship cadets must maintain 2.0 CGPA.

Listen Up, Out-of-State Residents!
Non-resident incoming students who possess an ACT score of 26 or higher, enrolled in the AFROTC program, and have submitted their enrollment deposit by 1 May, are eligible for the resident tuition rate through the University of Nebraska whether on scholarship or not.

Do I need a scholarship to join AFROTC? No!

There are numerous opportunities to earn a scholarship while in the AFROTC program that include, but are not limited to:

Type 1 - Full tuition, most fees and up to $500/month & $900/yr book allowance.

Type 2 - Pays tuition and most fees up to $18,000 and book allowance. If student attends institution where tuition exceeds $18,000, student pays the difference.

Type 3 - Pays tuition up to $9000 per year and a book allowance.

Type 4 - Pays tuition up to $18,000 and book allowance.

In-College Scholarship Length - Ranging from 3 to 3.5 years.

In-College Scholarship application boards occur once in the fall and once in the spring.

Special Programs

Freshman Option – If entering ROTC on four-year scholarship, can drop program after freshman year with zero financial consequences before first AS200 class. If not on scholarship, can drop program any time before contracting (POC).

Accelerated Program – Already started college? In Graduate School? Nursing major? AFROTC offers a 3-yr accelerated program with scholarship opportunities to promising students who have a 3.0 CGPA.
Facilities and Housing

Cadets can choose to live in Abel Hall along with their ROTC Community

Cadets can choose to live on/off campus

Det 465 and all Aerospace Classes are located in the Pershing Military and Naval Science building

Facilities and Housing

Cadet Activities

Arnold Air Society
- Community service
- POW/MIA ceremonies

Flying Huskers Booster Club
- Stadium Security
- Be part of Husker home games FREE!
- Stadium cleanup

Honor Guard
- Numerous local events

Cadet Recruiting Team
- Big Red Welcome, Red Letter Days, etc.
- Travel and recruit

Pershing Rifles
- Drill and ceremony competitions
- Professionalism and leadership examples for Cadet Wing

What to Expect as an AFROTC Cadet

*Accelerated programs will condense, not eliminate, this timeline.

✓ 1-hr Physical Fitness Training (2x a week)
✓ Physical Fitness Assessment 1x a semester
✓ Wear uniform to ALL classes on Thursdays

Freshman
Initial Military Training
1-hr AS100 class
2-hr Leadership Lab

Sophomore
Field Training Preparation
2-hr AS200 class
2-hr Leadership Lab
Take AFOQT

2 weeks Field Training at Maxwell AFB

Junior
Intermediate Cadet Leader
Officially contracted
Assume leadership role in Cadet Wing
3-hr AS300 class
2-hr Leadership Lab
Identify job/base preferences

Senior
Senior Cadet Leader
Evaluate & provide training feedback to ICLs
Find out job/base
3-hr AS400 class
2-hr Leadership Lab

Earn your degree and enter into an exciting Air Force career!

Pilot
Remotely Piloted Aircraft Pilot
Air Battle Manager
Combat Systems Officer (Navigator)
