CHAPTER 4: THE MILITARY UNIFORM

UNIFORMS

GENERAL. A sharp looking uniform is an indication of self-respect, pride, alertness and positive attitude. When you wear your uniform, you represent both the US Army and ROTC to all on campus that see you. When the uniform is worn, it should always be clean, neat and complete. Headgear will be worn while outdoors, during LAB in the well deck or Cook Pavilion, or when under arms. No observable item of civilian clothing will be worn with the uniform. The wear of the ACU and accessories is the same for female and male soldiers and cadets.

TERMINOLOGY and INSTRUCTIONS

- Bloused boots refers to the legs of the uniform trousers being either worn tucked inside the combat boot or using blousing rubbers. Excess bootlaces will be tucked inside the top of the boot and out of sight.

- Brass refers to the metal insignia used to indicate cadet rank and ROTC affiliation (ROTC crest for cap, ROTC letters, and ROTC torch).

- Gig-line refers to the line formed by the uniform shirt opening, the edge of the belt buckle, and the zipper flap on the uniform trousers. A proper gig-line exists when your shirt front opening, the forward edge of the belt buckle and the zipper flat line all line up in a continuous straight line.

- Headgear is the collective term for caps, hats, helmets and other items worn as a covering on your head. Headgear is also referred to as “cover”. When outdoors in uniform, you will wear the prescribed headgear for that uniform.

- Skill badges refers to the badges earned at Army schools such as Airborne and Air Assault Schools. Skill badges earned by prior service personnel as well as those earned while on cadet status are authorized for wear on the cadet uniforms.

- T-shirts, either the white or brown as prescribed, will be “round neck” and are worn with all cadet uniforms. The brown T-shirt will be worn with the ACU uniform.

PERSONAL APPEARANCE POLICY

Uniform Appearance and Fit.

- Uniforms will be properly fitted, clean, serviceable, and pressed as necessary.

- Cadets will ensure that when articles are carried in pockets, i.e., wallets, checkbooks, combs, and keys, these articles do not protrude from the pocket or present a bulky appearance. Fountain/ball point pens and pencils will be carried in the left sleeve pocket of the ACU top.

- Uniforms will be kept buttoned, zipped, and snapped; metallic devices such as metal insignia, belt buckles, and belt tips will be kept highly polished and will be free of scratches and corrosion.

- Medals and ribbons will be clean and not frayed.

- Shoes and boots will be free of excessive dirt and brushed.

Hair and Grooming Policies.

Male:

- The hair on top of the head will be neatly groomed. The length and bulk of the hair will not be excessive or present a ragged, unkempt, or extreme appearance. Hair will present a tapered appearance and when combed will not fall over the ears or eyebrow or touch the collar except for the closely cut hair at the back of the neck.
- Sideburns will be neatly trimmed. The base will not be flared and will be a clean shaven, horizontal line. Sideburns will not extend below the lowest part of the exterior ear opening.

- Cadets will always be clean shaven. Mustaches are permitted, and, if worn, will be kept neatly trimmed, tapered and tidy and will not present a chopped-off appearance. No portion of the mustache will cover the upper lip line or extend sideways beyond the corner of the mouth.

Female:

- Hair will be neatly groomed. The length and bulk of the hair will not be excessive or present a ragged, unkempt or extreme appearance. Hair will not fall over the eyebrows or extend below the bottom edge of the collar.

- Hair holding ornaments (barrettes, pins, clips), if used, must be transparent or similar in color to the hair, and will be inconspicuously placed. Beads of similar ornamental items are not authorized.

- Female cadets are authorized to wear cosmetics applied conservatively and in good taste. Exaggerated or faddish cosmetic styles are inappropriate with the uniform and will not by worn.

- Lipstick and nail polish may be worn with all uniforms as long as the color is conservative and compliments the uniform.

**Wearing of Jewelry.**

- The wearing of a wrist watch, a wrist identification bracelet, and not more than two rings (wedding set is considered one ring) is authorized.

- No jewelry, watch chains, or similar items, to include pens and pencils, will appear exposed on uniforms. An authorized exception is a conservative tie tack or tie clasp which may be worn with the black four-in-hand necktie.

Earrings will not exceed 6 mm or ¼ inch in diameter. They will be of gold, silver, or white pearl; unadorned and spherical. When worn, earrings will fit snugly against the ear and will be worn as a matched pair with only one earring per ear lobe. Male cadets are not authorized to wear any type of earring when in uniform or when wearing civilian clothing at an ROTC function.
