Dr. Bloom-

I am in receipt of your letter affirming the budget reduction proposals. I appreciate deeply the engagement of the APC in this process (and the one earlier in the academic year), and thank you all for your counsel and service.

I will be moving these budget reductions forward to operationalize them with the coming fiscal year.

It is my abiding hope that we will be able to move to planning next year rather than responding to budget reductions.

And, I would be remiss if I did not thank you personally for going above and beyond the call of duty in serving as the APC chair through this challenging year. I have nothing but the highest respect for how you have led the committee and engaged the University administrative leadership through these difficult conversations.

Thanks again for the service of all of the Academic Planning Committee. I hope that you all have a refreshing and productive summer ahead.

Best regards-

Ronnie D. Green, Ph.D.

Subject: APC recommendation on budget reduction proposals

Dear Chancellor Green,

Please find attached a letter from the APC giving our (affirmative) recommendation of your budget reduction proposals that were presented on April 18. As before, we wish that we didn't have to be here to begin with, but given the circumstances, we were pleased to be able to work with you on these important issues this year. Best wishes.

Ken
