

Rush County, Kansas - 1 March (Brezna) 1895 - 'Hospodar' Newspaper

RUSH COUNTY

Rush County lies in the middle of Kansas on the easterly side of the western half of the state. It has 5150 inhabitants. La Crosse is the county seat. Topography is gently rolling in the entire part of the county and soil as well is sufficiently wet and exceedingly fertile. Water is drinkable and is possible to find in depth of 25 to 50 feet and throughout it has good taste and is healthy. Along the Walnut stream, we find considerable forest (trees) and valleys are from 1 to 3 miles wide. Cost of the land is divided from \$10 to \$15 per acre for good land and less for slopes. The Czech settlers within the county are found south of the postoffice of Timken, near the town of Banner where we find the first Czech settlers (now dead) - Mr. J. Smrcka and Mr. Jos. Sroeder. South from the towns of Pioneer and Pleasant Dale several other Czech families settled here because of one settler from the area of Barton who settled here. Mr. J.M. Pivonka has a very beautiful farm, and also was postmaster of the postoffice of Ryan for a long duration. Midway, Czechs are near the railroad and rail station and postoffice of Timken. I made use of the year of 1890 records, and at this time have not received advertisement from this county about my work.
