

# JOHNSON COUNTY NEBRASKA

## OKRES JOHNSON.

Johnson County, Nebraska - 15 September (Zari) 1891 - 'Hospodar' Newspaper

JOHNSON COUNTY, NEBRASKA

(The county lies in the southeastern part of the state and the population is 10,311. Tecumseh is the county seat. The topography is mostly rolling prairie. Soil, with some exception, is fertile. There is a German settlement here and most of the time the person you meet will probably be a German. There are just a few Czechs here and mostly live far apart and miss their national life.

Czech Settlers  
Living in town

Name and town.	Occupation	Birthplace
