

PIERCE COUNTY, NEBRASKA

(The county) lies in the northeastern part of the state. Population is 4,848. The town of Pierce is the county seat. The topography is gently rolling prairie with the soil quite sandy. I believe the first settler in the county was A. Caban. The Czechs are scattered over the county and live quite far apart. Most are satisfied and a good portion are substantial.

Names of Czech Settlers in the County

Those living in small towns

<u>Name and Town:</u>	<u>Occupation</u>	<u>Birthplace</u>		<u>County</u>
