WEBSTER COUNTY, NEBRASKA

(This county) borders the state of Kansas. It lies nearly in the middle of the state from east to west. Population is 11,210. Red Cloud near the Republican River, is the county seat. Topography in the northern part is gently rolling. The portion in the south, along the Republican River is steep slopes. Here the land is sandy interspersed with gravel. To the north the land is better and more fertile. Price of the land is \$10.00 to \$20.00 an acre depending on location. Water is 30 to 80 ft. deep.

Czech settlements are mostly in the northern part of the county and some live far apart. On the whole most are satisfied with their home life and happy among their own.
