

Course Waiver Form

For the Digital Humanities Graduate Certificate | University of Nebraska-Lincoln

INSTRUCTIONS

Occasionally, students may request that they be allowed to waive a requirement for a course in the Digital Humanities Graduate Certificate program because they have met the requirement through work experience, another course, or the like. It is strongly recommended that students requesting such a waiver be in conversation with the coordinator of the DH Graduate Certificate program before completing this form.

INFORMATION

Name: _____

NUID: _____

For which course is the waiver being sought?

Provide the course number and title.

What experience is being substituted for this requirement?

Provide a brief justification for the substitution. For example, if the experience is work on a digital humanities project, please specify the project, the length and nature of the work, and the skills learned while working. If necessary, you may attach a written statement to this form.
