If you have parents or siblings who are members of fraternal organizations, you may be familiar with many aspects of fraternity and sorority life. The open house format allows you to choose the activities that best suit your needs.

The closest parking will be metered parking in visitor lots or on the streets (no charge on Sundays.) However, this parking is very limited, so parking will also be available in downtown Lincoln parking garages designated as “Park & Go” garages. The closest garages are the Larson Building at 14th and Q Streets and the Que Place Garage at 11th and Q Streets. Please

bring your parking stub with you to the event and we will validate your parking for up to one car per family at registration.

We are very excited that you are considering joining us for a fun-filled afternoon at NEBRASKA. If you have any questions, please contact us at 402-472-2582.
