Application Procedures

There are two categories of awards:

1. **Self-nominated.** Self-nominated awards are submitted by the individual who would like to be awarded. Individuals submitting an application for a self-nominated award will need to indicate which awards they would like to be considered for, and meet the award requirements.

2. **Selected by nomination.** Selected by nomination awards are submitted by an individual in the chapter on behalf of their members. 

   *Note: there may be a limit to the number of individuals who can be nominated.*

Previously, chapter awards have been given out during this process. However, with the creation of the Chapters of Integrity program and Community Excellence Awards the awards have been moved to that platform.
