UNIVERSITY OF NEBRASKA–LINCOLN

FRATERNITY RECRUITMENT

2015

SOCIAL  ACADEMICS  PHILANTHROPY  LEADERSHIP

WWW.UNL.EDU/GREEK | #UNLGreek
Thank you for your interest in joining the Greek community at the University of Nebraska–Lincoln! We pride ourselves in holding our members to the highest standards of excellence: in the classroom, in philanthropy and service to the local community, and as leaders on and off campus. When you join a fraternity, you not only represent your own chapter and our Greek Community, you also represent our University at large.

The University of Nebraska–Lincoln offers a diverse group of fraternities to join. We feel that no matter who you are, there is a right fit for everyone. Each fraternity emphasizes different values, beliefs, and perspectives, so make sure to find the one that best fits you! Don’t take this decision lightly, as it will impact you positively every day. It will help to mold and shape you into a better man, student leader, and a well-rounded member of the University of Nebraska–Lincoln community.

Best of luck in your recruitment!

Josh Johnson
IFC Director of Fraternity Recruitment
YOUR FIRST YEAR

23 Chapters 365 Days of Recruitment!
You are invited to complete and submit your fraternity recruitment application at: http://greekignite.com/Nebraska

Summer Recruitment: May 9 - August 24
Summer recruitment gives you an opportunity to meet and visit with active members of the chapters you are interested in joining as well as a chance to tour Greek chapter houses. Most commonly Recruitment Chairmen will come and meet with you at your residence, take you out to dinner, or invite you to one of their recruitment events. If the fraternity you wish to join has a chapter house, you may have the opportunity to live there as a freshman. If you have already signed a housing contract with UNL, it is your responsibility to cancel your UNL housing contract. To do so, return to your contract in MyRed and choose the “Cancel Contract” link. You will receive confirmation, by email, that your cancellation request was received. Contracts cancelled prior to May 1 will result in a $200 cancellation fee. The cancellation fee for contracts cancelled May 1-August 15 is $400. Additional information concerning housing cancellation fees may be found at: http://housing.unl.edu

Fall Recruitment: August 24 - December 18
Winter Recruitment: January 11 - February 28, 2016
If you are coming to the University from out-of-state, consider spending a few extra days in Lincoln when you come for New Student Enrollment. While in town, schedule meetings with any Recruitment Chairmen or attend recruitment events.

What to Expect the First Year of Being in a Fraternity
The first year of being in a fraternity is a special and unique experience that you will never forget. You will develop lifelong relationships with individuals in your pledge/new member class and together you will experience a wide range of once in a lifetime events such as:
- Class getaways, intramural teams, new member leadership opportunities, fraternity history sessions, and initiation to full membership!

Each fraternity is different but each offers an experience that will never be forgotten.

“My fraternity provided me countless opportunities to develop leadership skills in myself and in new members. As a sophomore, the fraternity paid for my attendance at our Leadership Training Workshop in Utah. I was also able to serve as one of the recruitment chairmen that summer. This last year, I was the new member educator. Though the multiple leadership workshops were helpful, the responsibility of molding a new generation of young men quickly matured me.”

- Thien Chau
ASUN President 2015-2016

Q&A

What if I end up not signing a fraternity this summer?
If you do not sign a fraternity in the summer months you can look into the Fall and Winter Recruitment phases. Not all fraternities recruit during this time but many do.

Should I pay the housing advance payment if I want to live in a fraternity?
Paying the housing advance payment is up to you. Your housing advance payment is non-refundable after May 1. If you decide to live in a fraternity house, any advance payment will be forfeited. To offset the housing cancellation fee, chapters may provide a credit toward your first house bill as compensation. If you choose to not to submit a housing contract until later in the summer, residence hall space may be limited.

Can I join a fraternity and still live in a residence hall?
Yes. Not all chapters have living units. First-year members in chapters without living units may live on-campus in University housing or off-campus with family members. Additionally, fraternities with chapter houses may not have space for all their first-year members to live in.

How much does it cost to live in a fraternity?
Every fraternity sets their own budget independently but the cost for living in a house will generally range between $6500 - $8000 for the entire school year. That includes room, meals, and dues.

What if I live far away and cannot meet recruitment chairs this summer?
If you are coming to Lincoln for New Student Enrollment we recommend you spend some extra time here to meet with fraternity Recruitment Chairs. Also, we encourage you to consider the fraternity BBQ nights and Greek Getaway as opportunities to meet chapter members. It is also possible to utilize fall and winter recruitment as describe above.

Do any fraternities offer scholarships?
Many fraternities offer scholarship opportunities for their members. Some of them offer freshmen level scholarships. You can view our website to learn more about scholarship opportunities or ask Recruitment Chairs.

Are there events I can attend to meet several fraternities?
Yes! Check out some of the events taking place this summer. If you live far away try to schedule your NSE date near one of the dates listed below:

Membership

The Multicultural and National Pan-Hellenic Greek fraternities have a process that differs from the model used by the Interfraternity Council. You may be considered for membership once you have established a college grade point average of 2.5 or higher. The opportunity to learn more about membership begins with Greek Preview. Once you’re on campus, attend activities like Meet the Greeks and Huskers Don’t Haze, as well as activities and programs sponsored by individual fraternities.

National Pan-Hellenic Council (NPHC)

The National Pan-Hellenic Council serves as the governing and programming board for the historically Black Greek-lettered organizations. These organizations serve as advocates for underrepresented groups in the Lincoln community and emphasize scholarship, service, leadership, and collectivism. Although our organizations are historically Black, our membership is diverse and our commitment to cultural awareness is unparalleled. The NPHC is designed to assure that our member organizations cooperatively work together while maintaining distinct chapter identities. National Pan-Hellenic chapters at UNL have a rich history that dates all the way back to 1916.

Open Recruitment periods occur each semester, but you must:
- Hold at least sophomore status
- Have a minimum college GPA of 2.5 or higher
- Other requirements vary by organization (i.e. service hours, community involvement, campus leadership)

If you need additional information about our NPHC organizations, please contact the Office of Greek Affairs, 402-472-2582.
MULTICULTURAL GREEK COUNCIL

Multicultural Greek Council (MGC)

The member organizations of the Multicultural Greek Council (MGC) work to diversify the skills of their members. Joining an MGC chapter will further your understanding of the cultures represented in our community. These organizations represent diverse backgrounds, cultures and histories. However, all are committed to the shared fraternal values of leadership, scholarship, service and personal development. The MGC also works to create an inclusive environment at UNL through its program and service initiatives. If you share similar interests and values, consider joining our historically Latino based organization.

Open Recruitment periods occur each semester, but you must:
- At least second semester freshman status
- Have a minimum college GPA of 2.5 or higher
- Other requirements vary by organization (i.e. service hours, community involvement, campus leadership, etc.

Financial Info

Based on costs of chapter maintenance, membership programming, and social events, financial responsibility is extremely important to individual chapters. The costs of belonging to a chapter are the most expensive during the first year of membership. It is important that a potential new member joining a fraternity understands and is able to meet the financial obligations associated with membership. During recruitment, a potential new member should ask fraternity members about financial obligations. Included is a chart that will give you an idea of the average fraternity costs. The figures do not include optional expenses. Many of the chapters require each new member to pay a one-time corporation assessment and initiation fee. Although a new member’s first year includes one-time fees, fraternity living expenses are very comparable to other living options, and on average are much cheaper than University Residence Halls. The live-in costs are a compilation of all costs incurred by a member living in the chapter house such as room, board and other mandatory fees. When a member lives outside the house he is required to pay a live-out fee. Live-out costs include such things as maintenance fees, social dues and occasional meals. Live-in and live-out fees are usually paid in installments, but many chapters offer alternative payment plans. It is important to note that each chapter has its own criteria concerning which members may live-in or live-out of the chapter house.
