We recommend one of these three parking options:

1. Find parking for a fee at a number of lots on and nearby campus.

2. Reserve pre-paid event parking at City garages or purchase a $9 tag for all-day, on-street parking in metered stalls from any City parking employee wearing a Park & Go shirt at City-operated parking facilities.

3. Park and ride: park in a large, off-site parking lot and ride the city bus (Star Tran) to the stadium with StarTran’s Big Red Express.

   Regular price is $4.00 each way/$8.00 round-trip (exact change only). Ride to and from the stadium from any of these 5 lots:

   Southeast Community College, 88th & ’O’ Streets
   Holmes Lake Park, 70th & Normal, north side of Holmes Lake
   Westfield Shoppingtown Gateway, 61st & ’O’ Streets
   SouthPointe Pavilions, 27th & Pine Lake Rd.
   North Star High School, 6 blocks east of N. 27th & Folkways Blvd.

   Big Red Express service begins two hours prior to kick-off with continuous shuttle service to the east stadium. Last buses will leave the lots to the stadium approximately 45 minutes prior to kick-off. Buses will return to the lots immediately after the game.

MEMORIAL STADIUM

KEY
- Gates
- First Aid
- Visitor Section
- ATM
- Student Section
- Wheelchair Seating
- Band
- Mobility Impaired Seating

The north, east and west stadiums are connected by a common concourse while the south stadium can only be accessed from either field level or Gates 1, 2, 3, and 24 (gates 1 or 24 must be listed on your ticket to enter these gates).
Construction of the East Stadium project is reducing access to some stadium gates.

A new set of steps has been built on the northeast corner at Gate 16. Construction will continue during the season so some areas will be off limits to fans, but a large opening has been created in the middle portion of the East Stadium for fans to enter and then proceed to their respective gates.

The pathway to gates 23 and 24 has been reduced, so fans who enter other gates are encouraged to avoid that area. Signage has been erected to help fans find the best way to their gate and seats.
